## McNabb Mines.

Special to the News.

Well, the saddest people ever seen in this town were two young men from Kelly's Ferry. They got off the Steamer City of Knoxville at this point Saturday. Not one person in town could tell what was the matter with them as they were always wanting to go down the road or wishing for the steambot to come back. But, alas, on Sunday morning when these young men were seen going down the road it was learned that their best girls were aboard the steamer for South Pittsburg and they were trying to overtake the steambot.

Anderson Hicks went to Chattanooga Saturday. How did he get back? Well, I guess he rode down on the steambot.

Where did Eddie Newsome go Sunday? He passed through town.

Hon. T. J. Mason, of the Etna Coal Co. was visiting friends here Sunday.

Thomas Sexton asks me to inform the people that while some young ladies might object to do his baking for him still there are others. And he also says that when he chooses his bread baker some one will be sadly disappointed.

Just ask Ed Sexton how he got his face so black last week. He wasn't at work. OLD SLICK.

## HE FOOLED THE SURGEONS.

All doctors told Benick Hamilton, of West Jefferson, O., after suffering 18 months from Rectal Fistula, he would die unless a costly operation was performed; but he cured himself with five boxes of Bucklen's Arnica Salve, the great Pile cure on earth, and the best Salve in the world. 25 cents a box. Sold by W. B. Ketner, Whitwell, and all dealers.

## New Store.

We call attention of our readers to the advertisement of Geo. Joseph on our first page. He reports a splendid business since opening and hopes by close attention and buying to command a fair share of the patronage of the town and surrounding country.
